

Sebastian Heavy Duty Recliner Chair

SWL 200KG

This Sebastian is a heavy duty bariatric designed recline & lift chair with heavy duty frame structure, heavy duty dual motor mechanism, extra wide seat and an adjustable backrest.

This chair has a 3-way action where the backrest automatically reclines when you elevate the footrest.

An attractive chair with scrolled arms, firm armrests for sturdy hand grip.

Comes standard with a two-pillow adjustable backrest.

Made in Western Australia
